CHICAGO GRAIN	

CHICAGO GRAIN.

CHICAGO, Feb. 26.—Wheat was active at the start today, the May delivery showing strength, but prices reacted quickly because of a fairly general selling on the advance. There was some talk of a minimum export price being paleed on Argentina wheat and country offerings to arrive were small in practically all sections. After starting the lower to be higher, with March 21.68 to 1.6%, and May \$1.57% to 1.58%, a reaction set in and carried prices below yesterday's finish.

Corn receipts were larger than expect-

nish.

Corn receipts were larger than expecting a firm start it eased off the large after a firm start it eased off the large and the large and the large area selling. Initial quotations, which ere the higher to be lower, with May to 70 kg, were followed by moderate sellines.

79 to 70%c, were followed by moderate decilines.
Oats showed strength at the start but eased off with other cereals. After starting unchanged to be lighter, with May 15%c, the market sagged.
Higher prices for hoga gave strength to provisions.
Reports of improvement in the export demand caused wheat to rally interbut the market became unsteady and fluctuated rapidly within a marrow range. The close was unsettled with prices is lower to \$7c higher, including March at \$1.68 to 1.68% and May \$1.57 to 1.07%. The corn market continued its downward trend despite the strength in wheat and closed weak with prices \$4 to 1%c net lower toan the previous finish with May \$8% to 6%c.

2314c LONDON, Feb. 26—(By the Associated Press)—British actors and actresses have no desire to emulate their fellow players in America by giving Sunday theatrical performances. A proposal to open London theatres on Sundays has just been voted down by an overwhelming majority at a meeting organized by the British Royal Drants league. Most of those who voted were members of the theatrical profession. BANK REPORT.

NEW TORK, Feb. 16.—The actual condition of clearing house banks and trust companies for the week shows that they hold \$14.340,520 reserve in excess of legal requirements. This is an increase of \$2.615,616 from last week.

George Bertard Shaw quickly had the house rearing with laughter. He began by supporting the proposal with extraordinary enthusiasm, in his capacity of playwright who wanted to make money out of his plays, and ended by condemning it with even greater fervor as a "friend of the actor."

"If you give up your present Sunday holiday under the impression that Sunday will be any different from other days in the theatre, or that you will be getting any more money for seven days work than for six, then I shall continue to hold the same opinion of your political intelligence, as members of the British public, as I have held in the past."

We also have a iaw." said Dr. Brum, "giving an obligatory day of rest each week and this has been made to include domestic servants. Our labor is satisfied. Ship all your agitators here, we are not afraid of them. They will not find congenial soil in which to work."

In regard to woman suffrage, he said, the constitution of Uruguay provides for votes for women but that the machinery for their bailoting has not yet been provided by the act of congress. He added that he believed that within two years women would be given the right to vote for municipal representatives and that would
